RULES

- All rounds will be run under the auspices of EA or HRCV rules, these rules can be found at www.equestrian.org.au or www.hrcav.com.au
- To be eligible for the Championship, a horse and rider combination must compete in 6 of the 8 tests available at their level. The levels are; Preparatory, Preliminary, Novice, Elementary, Medium, EA Advanced, Level 5, Level 4, Level 3, Level 2, Level 1 and HRCV Advanced. You may only compete in one championship at one level. EA Championship previous winning riders can not compete in that level for the championship again. HRCV riders must ride in their assessed level.
- Horses may enter a maximum of 4 tests per day over 2 consecutive levels, however EA rules state you may only ride 3 EA tests, therefore the 4th may only be a HRCV test.
- Points are allocated on placings in overall classes—ie, all Preliminary riders (Junior, Open, Pony etc) compete together for Championship purposes, with the highest in each level gaining points—1st = 30 points, 2nd = 29 points, 3rd = 28 points and so on. In the event of a draw, points are split between the two riders (i.e. If 2 riders place =3rd, they split 3rd & 4th placing points)
- Volunteers are required for pencilling, test collection & general assistance—please put names on entry forms. Entries without a volunteer will be rejected. Riders can also list themselves as a volunteer.
