

MSEDC Club day @ Lucindale

Aus Day Weekend training day, day 1.

What an absolute pleasure it was to welcome new faces! The weather was starting to cool down nicely as we saddled our horses, with the perfect amount of shade to catch a breather. The grounds are absolutely perfect and with the added bonus of the dressage arena, everyone and horse had a ball! Bring on the early morning tomorrow for more fun and forward moving.

Aus day Weekend training day, day 2.

With an early start at 7am we were welcomed again by new faces and legends. The weather held up at a comfortable 29* ish with the cloud cover and occasional refreshing breeze, making it perfect for training and leisure. The MSEDC would love to thank all that attended and we hope that you had just as much fun as we did.

MSEDC Hosting Elizabeth Sobecki

[May 12th & 13th] [from 9am—5pm]

[Naracoorte Pony Club]

I am 26 years old, with 17 years experience in the saddle. I was diagnosed with Multiple Sclerosis at 16 years of age, but that has not stopped my determination to achieve my dreams. In 2012 I was selected as the Reserve Rider for the London Paralympic Games on PS Lucarno. In 2014 I rode for Australia at the World Equestrian Games on Hatero de PB. I do not believe in excuses, I only see challenges and ways to overcome them. I believe that the power of the human mind is an extremely strong tool, and when put to use, you can achieve anything. Doctors told me to never ride again after my diagnosis, but I have since successfully competed in open FEI Prix St George's, trained Grand Prix movements and competed for my country in FEI Para-Equestrian. No dream is ever too small or too large; so believe in yourself and your horse, and you're already half way there.

Hello MSEDc Members and followers.

We, the MSEDc Committee,

would like to welcome new MSEDc

members, Rebecca Martin, Rebecca Jackson & Rebecca Rothall. We would also like to welcome Wendy, Asha and Lizzy Kelly, along with Melissa Ross, Trudie Hodge and Alison Silcock. It's a pleasure to welcome you all and if you, anyone, needs some advice or have a question, please don't hesitate to ask. The committee here are fun, friendly and always happy to have a chat.

MSEDc competitive members, who is excited about the Lucindale show?

Remember that this is an official event, we hope to see you all there.

HRCav, if you missed out on Lucindale show and/or would like something a little more specific and Dressage orientated, the Mt Gambier round of the CCC is just for you. South East Dressage Association are hosting/running the Saturday the 7th and the MSEDc are running the Sunday 8th at the ever functional and inviting Mt Gambier Showgrounds.

If you're not quite ready or looking for a competitive outing just yet, the MSEDc has some exciting clinics coming up. Such as Grand Prix rider and trainer Dirk Dijkstra, Dirk has so much to offer anyone and everyone. Dirk has offered to share his expertise in breeding, breaking and training, along with the making the journey to Grand Prix with us for an exciting clinic here in Naracoorte. HorseDeals will also be joining in on the clinic to cover a lesson with Dirk to be published in an up and coming issue.

We would also like to welcome Elizabeth Sobecki, with the efforts also being put in to bring another instructor in for an extremely exciting Mothers Day clinic.

May also brings the first round of the first round of the SE Showdown, to be held at the SEDA grounds. This year's SE Showdown runs from May—July, with two rounds in July, the last round being hosted by MSEDc and is an Official HRCav & EA event.

This year's September event will be for MSEDc member's and more so for VOLUNTEERS, you will have to qualify for this event. To qualify for the Club Champion event, you need to volunteer at least 2hrs of your time between now and when entries close for this event. There are lots of special prizes for level winners and also prizes for age classes, highest test score, junior (under 18yo), 18-30yo, and then 30yo and over.

We hope to bring you all the same excitement as every September competition.
