

## WINTER SERIES ROUND 3

SUNDAY 23 JUNE 2019

NARACORTE POLOCROSSE GROUND, HYNAM

### **DRAW** — revised 20 June

Thank you for entering the Winter Series. Please find attached the draw.

Gear Check / Marshall: All riders need to report to the gear check 15 min prior to your time.

This is an unofficial round so riders need to be neat and clean but no need to plait. Please still ensure that you wear gloves and have numbers on both sides of your horse (good habit to get into). A reminder that all horses should have their competition number displayed on them at all times while at the venue. This includes when tied up or in a yard.

Riders please be aware that there has been some minor changes to some of the new EA Tests so please check you have the most current tests. All tests to be ridden in 60 x 20 arenas.

Yards and Parking – please turn left on entering the grounds and travel along the track (not on the Polocrosse fields) and use the parking and yards along the west side of the grounds. Committee can use the yards near the club rooms if you wish. Please pick up your manure prior to leaving and spread it around the trees.

Catering is available at the grounds.

Arena Set Up – Saturday at 2pm, all help gratefully accepted 😊 Pack up at the end of the day 😊 Thank you in anticipation.

Scratchings: Please contact Kristy Boord 0417 361 269 or Linda Archer 0427 208 180
