Angela Donaldson

Angela has been riding professionally since she was 17. From young horses through to FEI. Multi championship winner in the dressage arena. She spent three years working in Europe at barns such as Gestute Spehe and Hof Kasselmann (PSi). Angela's main aim is to have a soft, elastic, responsive horse that is reactive off the aids with correct basics. Angela travels to the South East regularly.

Sue Candler

Sue Chandler is a Level 2 General Coach, Level 3 Dressage Coach and Coach Educator. She has worked professionally in the equestrian industry from an early age, first at a British Riding school then at the AEA under Fred Hoevenaars in the 1970s and early 80s, and was one of the early FEI competitors during this time. Sue is also an A Level Judge and Judge Educator

Sue studied hard to develop an elite understanding of both content and pedagogy for Level 3 coaching and has always maintained a high level judging practise, to support the relevance of Coaching.

Sue has coached students of all levels to a high level of success, not just in competition but also contributed to their self growth. Sue is held in high regard as a role model for the equestrian community and is always willing to provide assistance and advice to other coaches and promotes classical and correct training methods.

Lucy Williams

20 Years of Equestrian Coaching Experience. After leaving school Lucy went to Wellington Riding with Robert Pickles FBHS to gain her BHSI (1994) in an intensive 3 month training/exam programme. This initial qualification led to travel to Australia, working for a World Cup Showjumper, Movie Horse Trainer, Eventer and a Show Rider. On returning to England she worked at a hunting yard, a thoroughbred stud/racing yard, gained her LGV licence and did some horse transporting before moving on to Ingestre Stables with Rob Lovatt FBHS and Tim Downes FBHS where she achieved her BHSII in 2002. It was not long after achieving this that Lucy moved up to Yorkshire to work for Christopher Bartle FBHS (current Performance Coach of the British Eventing Team and former joint German 3 Day Eventing National Team Trainer) and Jane Bartle Wilson BHSI. Lucy passed her Equitation and Teaching (now Senior Equitation and Coaching) in 2007 and in 2010 returned from Australia (after moving there in 2008) to pass the Stable Managers to achieve her BHSI.

Lucy also holds the IGEQ Level 3 Equestrian Coach's Passport and is an accredited **"Ride With Your Mind" coach**. Lucy assists riders to realise the influence of their position on their horse's way of going.

Having been through the British Horse Society exam system Lucy has a solid foundation of thoughts and beliefs on teaching and coaching. Ongoing training and continuous evaluation of current training methods used by both herself and others build on this foundation. Lucy regularly trains with various coaches ranging from local Show Jumping coaches to Thomas Muehlenbeck and Mary Wanless (RWYM) to improve and update her equestrian skills and coaching methods. She believes keeping an open mind is extremely important in the continual development of our abilities.

Lucy has evented to intermediate level. Her ability to explain and never make the rider feel inadequate but to always build on the positive creates confidence in her riders. Down to earth, fun and encouraging, Lucy likes to create an environment that brings out the best in all her clients, whatever their level.

Jason Dins

Jason started Riding when he nagged his parents for a pony at age 9, joining Riddells Creek Pony Club a few years later. Jason completed Certificate II in Equine Industry while at school, completing work placement and working in School holidays with David Simons one of Victoria's most respected horse trainers and clinician's.

After working for 3 year Jason decided to become a full time Trainer and Coach allowing him to have more time in the saddle to reach his goals. Glennis Barrey was his coach at the time and he worked for her for 12 months. During this time he got a great

understanding of the basics instilled into him. He put a lot of training into my young horse at the time Final Banjo and also purchased the 19yo Grand Prix schoolmaster Argentille Shamada. During my stay I competed on several of Glennis's young horses and broke in GB Freckle (Ferrero Rocher) and Sebago (IMP) (Sir Donnerhall) colt at the time.

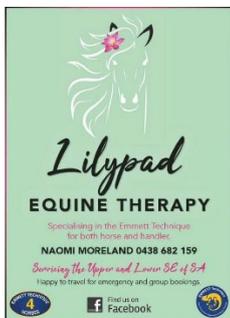

Jason has been running his business for the last 8 years in Kyneton, Victoria. This business offers services such as breaking and training of horses of all ages and breeds. As an NCAS Introductory Certified Coach with Equestrian Australia this sees him coaching all levels of riders. He teaches at a number of Pony Clubs and Adult Riding Clubs in the area. Private lessons and training is offered on and off site, so this sees him travelling the Macedon Ranges, Western Victoria and other regional areas on regular occasions. Jason also competes at least one to two weekends a month on either his own or clients horses, at a variety of levels from Young horse classes, through to FEI level.

Jason's goals for the future are to continue gaining knowledge in training horses and riders and passing this on to his pupils. He also wants to continue to train horses from young horse level through to Grand Prix and compete at a national level.

Lily Pad

Naomi Moreland is a Bodyworker who specializes in using the Emmett Technique. Emmett is a gentle muscle release therapy that can be used to address pain and discomfort in both horses and riders. It is a highly adaptable technique that can improve movement and release restrictions as well as having a positive effect on your emotional wellbeing. For such a light touch, it still blows me away with what can be achieved with it! Naomi also find it extremely beneficial to be able to treat both the horse and rider as a combination.

Along with the Bodywork, Naomi has also recently introduced Barefoot Trimming to her services. Being able to stand back and look at the entire big picture now allows her to balance the whole horse from the ground up."

HRCav Level Assessments

HRCav (Horse Riding Clubs Association of Victoria) is a national organisation with nearly 6000 members and 240 clubs throughout Victoria and NSW. It allows riders from 5-75 to ride and compete in various disciplines against riders of a similar assessed level of competency. HRCav is all about creating a level playing field and having fun across multiple disciplines. Members of the HRCav facet of MSEDc can get level assessed for only \$30 per horse and rider combination. You and your horse will be assessed as a combination in your chosen discipline/s. You can choose all/one/or a couple of the following disciplines: dressage, showing, show jumping, combined training (this is a mix of dressage & show jumping). Bookings essential for time allocation. You need a separate assessments for each horse you ride.
