August 2022

As the club enters its last month of the current committee the members wish to say a huge and great big grateful **thank you** to the 2021/2022 Committee who have brought the active and forward-thinking club back up to full capacity for its members after uncertain times. Many members have expressed their gratitude via FB posts and verbally to committee members, I am sure all members thank the Committee and applaud the year they have been able to enjoy. The committee giving their valuable time for the members' pleasure. For the competitions, education, camaraderie, for the organising, collating, and wading through the piles of responsibilities so members can enjoy these events, again the members applaud and **thank you**.

To all the members who enthusiastically helped on event days. The committee applaud you and **thank you** also as it makes it more enjoyable to see everyone's appreciation by eagerly helping where they can on the day.

Myself as a life member and serving on this year's Committee would like to acknowledge via this medium (*because I can*) the work of the Committee that others do not see. To Amanda Lock who stepped up this year to lead us when no one was putting up their hand. A very busy person with already very large responsibilities in many other organizations, some far more demanding in responsibility than ours. Your strong leadership and loyalty to the club developing a cohesive and productive team to provide for the membership. **Thank you Amanda.**

To Ann Dodd and Nic Lewis who put their hands up to look after the EA responsibilities of the clubs' calendar for this year. Ann doing the big job of engaging judges and pencilors and doing the draw for competitions and clinics. Nic backing up whilst finding her way in a new area, new property and a new job. **Thank you Ann and Nic.**

To Trudi Lutt who despite an extraordinary year with family and farm responsibilities, the pressures of overseeing the building of a new home, whilst living in temporary accommodation, still continued to attend meetings and take the minutes under very difficult IT reception challenges in the most efficient way. **Thank you Trudi**

To Kate Dennis who always seems to find the time to build arenas no matter where we need. **Thank you Kate.**

To Tiffany Bennett who despite not always being able to attend meetings always cheerfully helped to fulfill and complete any job when asked. Tiff also proving a great liaison with the pony club when the two clubs can pool resources to mutual benefits **Thank you Tiff.**

Kristy Boord was the HRCav rep for this year. **Thankyou Kristy**

To Linda Archer who has become a stalwart for the club. Her efficient and comprehensive book keeping proving her a valuable asset, allowing the Committee not to worry that our finances are accurately kept and always up to date. Along with her role as Treasurer, Linda is always wearing a track from Hamilton to Naracoorte at all hours to make sure every thing is attended to for a successful day on every club event. Tending to judges boards, feeding judges and clinicians, gear checking, demo riding, thank you gifts, providing accommodation for traveling judges and filling in any of the gaps. Often the first to arrive and the last to leave. **Thank you Linda**.....Oh and yumo the amazing cooking.....scrumptious

I unfortunately will not be able to attend the August Club day, which looks like such a super day, with a whole day free of charge for the members to enjoy, food, horse activities and the all important AGM. Members in recent years seem to not find this meeting as important to attend as event days, which is disappointing as it is your club and an opportunity to vote on important issues such as annual fees etc. and to give feed back and direction you would like. I can only encourage everyone to come enjoy and have input to a meeting which only takes a short time and effects everyone. It will also encourage a Committee to continue towards a full year ahead.

Pumpkin Patch Award 2022

Priscilla Treloar (nee Baker) was a member of the dressage club as a young teenager and beyond. Priscilla's mum, Jill, always supported Priscilla with her horse dreams but as a 'mum alone' it was up to Priscilla to work hard to achieve through her own motivation.

Priscilla had a few ponies. Brock (Beckworth Rising Puff) Comet (Shaundale Sprite) with many notable achievements. A member of the State Pony Club Teams on the Flat, winning a Dressage Championship on Larry and many other ribbons laughs and fun along the way. Priscilla competed at the very first Winter Series on a very special pony called **Pumpkin Patch** a very pretty pony who really ignited Priscilla's desire to start to learn how it was done after she grew out of mini pony Maxi.

Now Priscilla is all grown up and as a special memorial to Pumpkin has donated a annual trophy "The Pumpkin Patch Award" to be awarded to a young rider who is polite, willing to help and shows determination to learn all aspects of riding and horse care. Some one who will go the extra mile and try hard regardless of the difficulties they face and give it a go on their own.

Thank you Priscilla.

Winner 2022

Stella Marcus

and her little mate

Rivington Folk Rock

Thank you Priscilla for attending and presenting the award. We were thrilled to see you and to see the news of another little pony rider on the way. Will be a hoot to see the second generation coming to the club!!!!!!

Di Green Winter Series Award 2022

Di Green was a true friend and stalwart of the Dressage club having been a member since its inception in 1983. Di attended nearly every club day and competition and became a valuable member serving on the committee in various offices over the years. Judging unofficial competitions, becoming well know to many in the state as the go to person as stable manager at the SA Country Dressage Championships.

Riding her dream horse George, who was spoilt to distraction, Di loved the club beyond words and was awarded a life membership at the clubs 21st birthday celebrations, which brought buckets of happy tears.

Di was Miss Reliable helping out at the winter series competitions and to her delight rode to success at the inaugural competition winning the Novice Championship with her very beautiful and spoilt friend George.

Very very sadly we lost Di to breast cancer a devastating blow to all her friends, family and community. Loosing a well know figure is always such a blow but Di's Mum Judy has kept her memory alive by donating a beautiful Bronze statue to be awarded to a deserving person who shows a great volunteer effort at the winter series each year.

The 2022 Award was presented to Ann Dodd

Committee Chatter

Country Classic

The last committee meeting for the 2021/22 committee was a busy one with final plans put in place for the 2022 SA Country Dressage Classic. Venues and judges are booked, ribbon orders ready, catering organized and last minute details addressed. Now we are ready to accept entries to this fabulous event!

Pony Club training day

Tiff (Naracoorte Pony Club) was very thankful for Sue and Linda's instruction of the riders for the day. It was a fabulous day. This instruction was provided in lieu of ground hire fees, so the club was given a free hire of the Pony Club grounds, meaning reduced costs for MSEDG members to attend the MSEDG events held at this venue. Thanks

Sue and Linda for giving your time to benefit not only the Pony Club riders but also all the MSEDG members!

Judges Seminar

A great event with 11 current and future judges in attendance, some from over the border and all the way from Adelaide!

Sue Chandler proved as always that her knowledge and experience both inside and outside the dressage arena is first class, and comprehensively answered many and varied questions about the judging of Preliminary and Novice horses.

Thank you to Sue Thornley, Linda Archer and Carey Blizzard who provided some excellent demonstration tests for those attending. Also thanks to ESA for supporting this seminar and allowing the club to bring Sue over from Victoria.

Winter Series Round 4

Congratulations to all riders on your final winter series for 2022. Many smiling faces, some great tests, and some travelers for our HOTY event. Thank you to our judges Sue Chandler, Pam Edwards, Jen Gilligan and Sue Thornley. With such experienced judges we were able to offer a number of Shadow Judging opportunities which were eagerly grasped. Pencillers were also treated with scribing for these judges, and many club members have now become familiar with our tablet system which has become a popular addition to our competitions.

AGM & Activity Day

Our AGM is fast approaching and we have a great FREE day planned for all club members. Come along with a FREE poles session with Lucy Hill, or grab the opportunity for a protocol session with Amanda Lock before the Classic. The club is putting on a FREE BBQ lunch for all those attending the day, with a chance to have your say on the future of the Club at the AGM. We hope to see you there.

Clubs meeting

Ann joined the SA Dressage Clubs meeting and reported back to the committee. There looks to be a requirement for 2024 that official stewards will be required at all events. The ESA State Champs will be held at Mt Crawford on the 15/16th of April 2023 and random swabbing of horses may occur at any ESA events.
