

January Club Activity Day
Sunday 22 January 2023
Lucindale Campdraft / Hockey Grounds

The Activity Day will be a wonderful opportunity for members to ride one of the tests on the same grounds that Lucindale Show will offer at the dressage in February. This is not a competition but you will be judged and receive your marked test with comments to assist you.

Test will be offered at each EA and HRC AV level. There are new EA tests (Preparatory – Advanced) from 1 Jan 2023 and these will be used.

Link to new tests: <https://www.equestrian.org.au/content/2023-dressage-tests>

EA: Test 2 (Preparatory to Advanced)

HRC AV: Test 2 Levels 5 to Advanced

Times will be allocated after entries close and we know what the weather forecast is.

Riders will be expected to assist in some way during the day: arena set up, pack up or pencilling

Entries Close: Friday 12 January

Please email entry to: treasurer@msedc.org.au
