### Jason Dins

Jason started Riding when he nagged his parents for a pony at age 9, joining Riddells Creek Pony Club a few years later. Jason completed Certificate II in Equine Industry while at school, completing work placement and working in School holidays with David Simons one of Victoria's most respected horse trainers and clinician's.

After working for 3 year Jason decided to become a full time Trainer and Coach allowing him to have more time in the saddle to reach his goals. Glennis Barrey was his coach at the time and he worked for her for 12 months. During this time he got a great understanding of the basics instilled into him. He put a lot of training into my young horse at the time Final Banjo and also purchased the 19yo Grand Prix schoolmaster Argentille Shamada.

Jason has been running his business for the last 9 years in Central Victoria. This business offers services such as breaking and training of horses of all ages and breeds. As an NCAS Introductory Certified Coach with Equestrian Australia this sees him coaching all levels of riders. He teaches at a number of Pony Clubs and Adult Riding Clubs in the area. Private lessons and training is offered on and off site, so this sees him travelling the Macedon Ranges, Western Victoria and other regional areas on regular occasions. Jason also competes at least one to two weekends a month on either his own or clients' horses, at a variety of levels from Young horse classes, through to FEI level.

### Sue Chandler

Sue is a highly sought after EA NCAS Level 2 General Coach, EA NCAS Level 3 Dressage Coach, EA Coach and Judge Educator and an EA NOAS "A" Level Dressage Judge/ Mentor and has successfully competed in many FEI competitions over the years. She enjoys teaching beginners as well as advanced riders and horses, and her simple and friendly coaching style is appreciated by all who attend her lessons.

### Lucy Williams

**Lucy has** 20 Years of Equestrian Coaching experience. Lucy also holds the [IGEQ Level 3](#) Equestrian Coach's Passport and is an accredited "[Ride With Your Mind](#)" coach. Lucy assists riders to realise the influence of their position on their horse's way of going.

Having been through the British Horse Society exam system Lucy has a solid foundation of thoughts and beliefs on teaching and coaching. Ongoing training and continuous evaluation of current training methods used by both herself and others build on this foundation. Lucy regularly trains with various coaches and Mary Wanless ([RWYM](#)) in the UK to improve and update her equestrian skills and coaching methods. She believes keeping an open mind is extremely important in the continual development of our abilities.

Lucy has evented to intermediate level. Her ability to explain and never make the rider feel inadequate but to always build on the positive creates confidence in her riders. Down to earth, fun and encouraging, Lucy likes to create an environment that brings out the best in all her clients, whatever their level.

### **Riannon Longney (Horse Massage)**

Riannon has been riding for as long as she can remember, competing at Pony Club state level in SJ, Eventing and Mounted Games and is now an EA member, enjoying show jumping and some dressage locally.

Riannon is now fully self-employed and provides Equine Massage and Laser treatments in the SE of SA and SW Vic to a diverse range of clients in many disciplines.

### **Courtney Fraser (Bit fitter)**

Courtney has collaborated with the Horse Bit Emporium to assist you with your biting needs. For any discipline or any sized mount, Courtney will be able to find a bit that ensures control and comfort for your horse's individual needs.

Courtney Fraser grew up on a cattle and sheep farm in Mansfield, Victoria. Learning to ride around the farm and competing through the local pony club. Courtney continued her passion for horses after finishing VCE and gaining employment at the Victorian Equestrian Centre. It was there Courtney began coaching riders of all levels and continued her own training as a coach, rider and competitor.

In 2011, Courtney travelled to Germany to work at a competition stable where she rode breakers through to Grand Prix horses. After 10 years of working in the equestrian industry, Courtney made the commitment to form her own business training performance horses and coaching pupils as well as providing her bit fitting service.

### **Nichole Kopp (Performance Saddlefits)**

Nichole is a registered veterinarian currently practising in the Adelaide Hills and has spent her entire life surrounded by horses. With her background she is passionate about ensuring our equipment suits both horse and rider anatomy so the pair can work comfortably and effectively as a team – optimising horse comfort and welfare.

Her lifelong passion for horses and wealth of knowledge on anatomy & biomechanics has led her to be part of the Performance Saddlefits team and in June 2022 Nichole made the trip overseas for training and assessment, passing her Society of Master Saddlers flocking exams with ease. She continues to train and mentor with Paula Jeffery and Lyn Prescott, who have both held qualifications with the UK SMS for many years, while working towards completing the next step of her saddle fitting journey, becoming a qualified SMS saddle fitter.

Nichole is dedicated to finding the best saddle fit solutions for you and your horse, bringing you the best of English and European custom made saddles and thereby increasing horse performance, comfort and welfare.
