Campers and picnickers are becoming the norm. The faces had smiles and while lots of chatting and supporting each other.

The day ran like clock work thanks to the efficient committee.

Everyone helped in the traditional get

Committee Chatter

What a great turnout at Round 1 of our clubs Winter Series held on the 23rd April, beautiful weather and a great surface to ride on out at Hynam polocrosse grounds.

Thank you to our judges Ken Croser from Horsham and Helen Possingham from Kingston, also those who stepped in while judges on a break Lucie Hill and Ann Dodd.

Many thanks to those that penciled and set up arenas, and those that stayed to help pack up ,.

Round 2 will be on the 28th May, and entries are open for the official competition, we already have entries coming in, even from Adelaide, great to see,!!

This is also a OTT qualifier, please see notices in this NL.

We are well under way with the planning of this years Country Classic, all judges have been sourced, and discussions in our last meeting re grounds, where we have decided to use the showgrounds for this event... we are currently sourcing sponsorship for this as well, members who know of anyone interested could contact a committee person...!!

Happy riding everyone

Cheers Ann

Inspirational exercise from Christoph Hess

Transitions on a circle

Canter a 20m circle, then make a transition to trot and ride another circle, before repeating.

Christoph advises shifting your mindset around transitions, so that a canter to trot transition, for example, should not be framed as the end of the canter, but rather, the start of the trot.

“You are not finishing the canter, but starting the trot. Continue to use your driving aids, rather than making the transition with your reins,” he says, explaining that maintaining this forward thinking in your schooling “helps keep horses mentally happy” during their dressage exercises.
